**GUIDELINE FOR PUBLICATION OF ADVERTISEMENT IN THE
FEDERAL TENDERS JOURNAL AND NATIONAL DAILIES**

The Bureau of Public Procurement (BPP) has observed from series of publications for the solicitation of bids in the Federal Tenders Journal and National Dailies that most Ministries, Departments and Agencies (MDAs) of Federal Government exhibit poor compliance with the standard requirements for the solicitation of bids as stipulated in section 16(6) of the Public Procurement Act, 2007 and SGF Circulars on compliance with the provisions of ITF and registration on the National Database of Contractors, Consultants and Service Providers.

2. The exhibition of poor compliance with the standard requirements in bid solicitations reviewed by the BPP has resulted in frequent corrections by the Bureau of Public Procurement resulting in Government incurring extra expenditure due to placement of addenda in the same media where the advertisements were initially placed. This trend also affects the Standard Processing Time of procurement in the MDAs resulting in project delay and non-achievement of the desired dividend of democracy to the electorates.

3. Consequently, the Bureau has developed standard advertisement templates for different forms of procurement notices as herewith attached. The soft copy of the standard advertisement templates can also be downloaded from the Bureau of Public Procurement's website on www.bpp.gov.ng.

4. Furthermore, all MDAs are required to ensure that all advertisements for the solicitation of bids are submitted in the required format to the Editorial Board (comprising of BPP staff amongst others) of the Federal Tenders Journal latest by 12noon of Wednesday preceding the Monday bi-weekly publication date of the Federal Tenders

Journal to allow sufficient time for the Board to vet, clear and communicate the corrected version back to the MDAs for update and publication of the harmonised version in all the media to be published.

4. Any advertisement that does not meet the mandatory requirements and deadline for publication will only be published in subsequent edition of the Federal Tenders Journal and will have its submission deadline extended to comply with the timeline stipulated in the Public Procurement Act, 2007 and extant Public Procurement Regulations.

5. Please ensure strict compliance with the contents of this circular effective immediately.

Secretary to the Government of the Federation
